The Lake Braddock Band, and Color Guard will be traveling to Beijing and Tianjin China from March 23 through April 1, 2010. This trip is considered an extension of the school program and all school rules will be in force at all times during this event. It is further understood that only the highest level of personal conduct is acceptable. Any activity that can in anyway effect the public perception of our organizations is unacceptable. It is the responsibility of each student to deport himself/herself in a manner that will reflect positively on the entire group. Giving the unusual nature of this particular trip, it is also imperative that each traveler understand and accept their personal responsibility relative to functioning in a different culture and willingly adhere to the norms and expectations of that society. Participants are expected to present themselves at all times in a professional manner, respectful of the live style of our hosts. Infractions of these standards of decorum or of school rules and policies will be dealt with strongly. Flagrant infractions or illegal activities will result in the student being sent home at the parent's expense. It is sad to have to approach such an event with this type declaration, but it is important that every student and parent be aware that we are first and foremost concerned with the safety of our students and with preserving our reputation as a great place for kids to be, so that others may continue to enjoy these activities. It is not OK for any student to ruin this for others by not thinking of the consequences of their actions relative to everyone else.
