The price is still only \$18.00 each  
Please make checks payable to Bruin Band Boosters (BBB)

## 2010 White House Ornament

### ***William McKinley 2010 Official White House Ornament***

*This year's ornament commemorates the annual Army Navy Reception at the White House from the year 1900. The front face of this year's ornament depicts the Marine Corps band playing in the North Drive as guests of the McKinley's arrive on the snow-covered grounds of the White House.*

**HOW DO I GET INVOLVED?** You can take home WHO on 'consignment' simply by signing them out with me. Return any unsold WHO by the first week in December and get as many, as often as you want. Ask your friend, neighbors and co-workers to support the band! WHO will be available at concerts and other band events or by calling me to set up a pick up time. All proceeds benefit the entire High School band program at Lake Braddock.

**NEEDED: Volunteers** (Adults and Students) to man the BBB booths at the **PTSA Craft Show on Saturday, October 16, 8am-4pm** (there's a competition that day, so students sign up for a morning time) and the **Election Day Bake Sale on November 2, 7am-4pm**

*All prior years' ornaments, starting with 1981, are also available.
