

No Frills Fundraiser

Dear Music Parent /Music Supporter,

The **Lake Braddock Middle School Band** program is booming with amazing sounds as we open the 2009-2010 school year. We are proud of the successes of our band students and know that the community is also proud to support the **Lake Braddock Middle School Bands**. Lake Braddock is known for its excellence in its music locally and nationally. The music faculty is very excited about the upcoming performances this year and we hope you will join us for some of the concerts (attached is a list of our 2009-2010 season).

In lieu of our selling specific items, the **Lake Braddock Middle School Band** program's fall fundraising campaign is a "No-Frills Fund Raiser". In order to continue our outstanding band program, it is necessary to augment the funds already provided by the school. Your support allows us to further the strengths of our developing musicians. Please consider making a generous donation to support your child's musical education.

Some examples of music department expenses

- New instruments
- Maintenance of existing instruments
- Audio equipment
- Music software/technology
- Field trips
- Guest performers/clinicians/directors
- Staff support

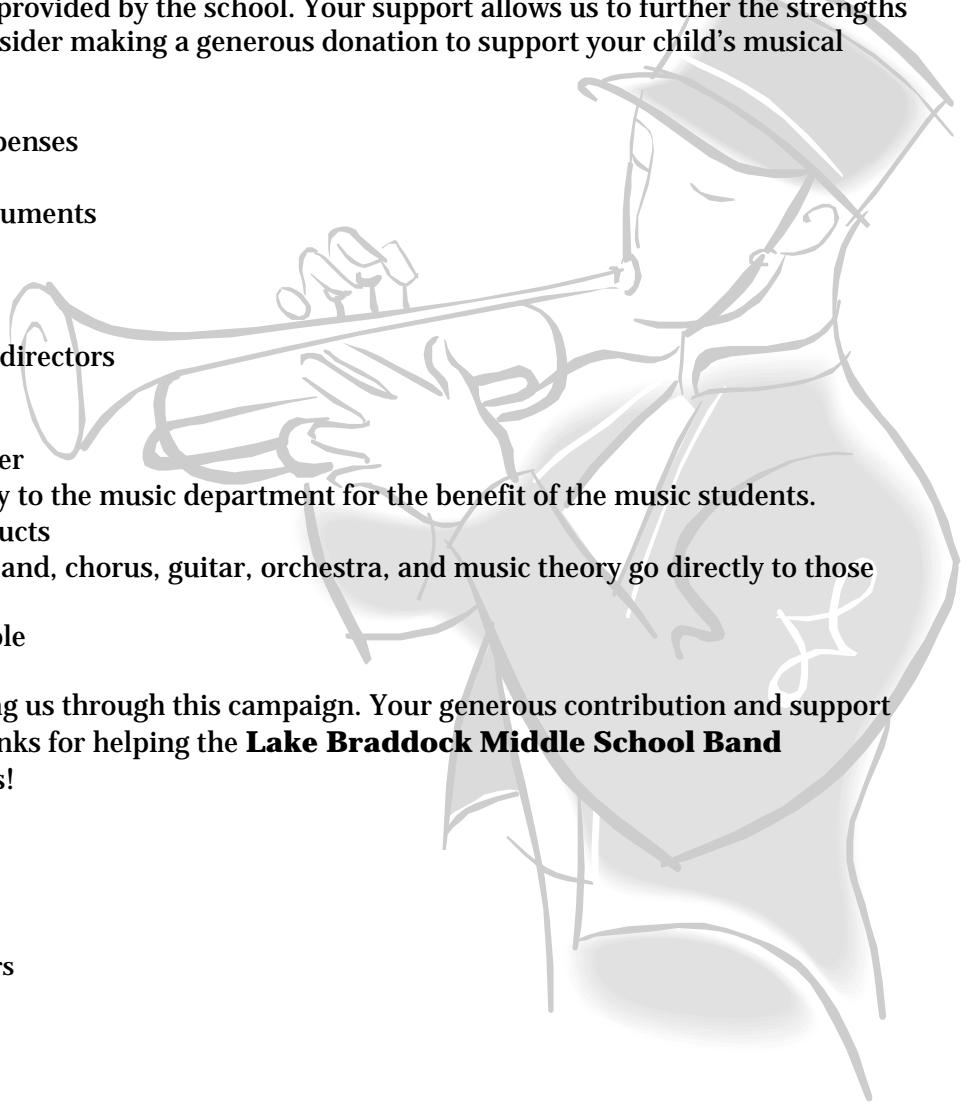

Benefits of the No-Frills Music Fundraiser

- 100% of the profits go directly to the music department for the benefit of the music students.
- No selling or delivery of products
- Funds raised by students in band, chorus, guitar, orchestra, and music theory go directly to those programs
- Your donation is tax deductible

We hope you will consider helping us through this campaign. Your generous contribution and support of our program is truly appreciated. Thanks for helping the **Lake Braddock Middle School Band** musicians climb the mountain of success!

Sincerely,

Louis Bean, Mike Luley, Roy Holder
Lake Braddock Middle School Band Directors

No Frills Fundraiser

Lake Braddock Secondary School Vision:

“Lake Braddock’s instructional programs are designed to empower students to be academically competitive in a constantly changing world. Our school curriculum is committed to helping our diverse student body discover talents, increase competence, develop imagination, and expand academic and personal horizons. These instructional programs are based on the philosophy that teachers employ a variety of methods to meet the needs of every student and create an environment in which learning is active and personalized.”
