Lake Braddock Secondary School
Marching Band and Color Guard Program
Finance Information and Policies
For School Year 2021-2022

FCPS will not charge students a fee for any mandatory aspect of the band except for musical instruments and course material fees which are permitted by Virginia Department of Education (VDOE) regulations. Schools cannot require a student to pay fees for course materials in excess of the amount approved by the School Board in Notice 5922, Revenue, Tuition, and Fees – Student Fees.

As a result of the agreement with FCPS, we have restructured the types and manner of payments collected. The new fee structure will be effective for the 2021-2022 school year.

Fee Structure

The fee structure includes required Course Materials Fees and FCPS sponsored optional Activity Fees. Required course materials fees cover consumable materials associated with a course and are a required element of that course.

Lake Braddock Marching Band (Including Color Guard)

Marching Band Camp Fee (\$75 My School Bucks School Store) is due for the pre-school rehearsal fee posted in the My School Bucks in the School Store. This fee covers fees paid to support staff and instruction for marching band camp in August. This fee is needed to register and reserve your spot for a marching position.

Marching Band and Color Guard Course Fees (\$162 – My School Bucks Charged to Personal Account for Band Students):

- A) **Course Material Fee: (\$112)** This fee is similar to required fees paid for certain other FCPS classes. It covers course materials related to the course. Examples of the consumable materials covered by this fee include: additional uniform purchases and maintenance, the drill book, music and choreography for the show, band t-shirt, instrument accessories, equipment repairs, and food during instructional activities. If fees collected exceed the costs incurred for all consumable materials, any excess fees will be set aside in an FCPS reserve account to fund future purchases of band equipment, accessories, music, and/or any other item considered a consumable by FCPS.

- B) **Marching and Color Guard Course Uniform Fee (\$50 - due by August 24th):** This fee is for rental of the Marching Band and Color Guard Uniforms. \$35 goes towards rental, repairs, and retention for new uniforms. \$15 is for dry cleaning expenses. If fees collected exceed the costs incurred for all consumable materials, any excess fees will be set aside in an FCPS reserve account to fund future purchases of band uniforms.

Marching/Color Guard Uniform Accessories (Amount varies - due by August 24th): Certain uniform accessory items are required to be purchased separately by the students as needed. Orders for such items can be placed in the school's uniform closet and paid for in Charms. Examples of these items include marching band shoes, color guard shoes and gloves, and polo shirt. **(List included in packet)** Students will need to purchase their own plain, khaki pants (No Cargo pockets)

Lake Braddock Concert Bands (Symphonic, Concert I, II, and III)

Concert Band Course Fees (\$50 – My School Bucks Charged to Personal Account for Band Students):

- A) Concert Band Course Materials Fee (\$15 - due by September 28th):** This fee is similar to required fees paid for certain other FCPS classes. It covers course materials related to the course. Examples of the consumable materials covered by this fee include: performance recordings. If fees collected exceed the costs incurred for all consumable materials, any excess fees will be set aside in an FCPS reserve account to fund future purchases of band equipment, accessories, music, and/or any other item considered a consumable by FCPS.

- B) Concert Band Uniform Fee (\$35 - due by September 28th):** This fee is similar to required fees paid for certain other FCPS classes. It covers course materials related to the course. Examples of the consumable materials covered by this fee include: uniform purchases and maintenance and dry cleaning. If fees collected exceed the costs incurred for all consumable materials, any excess fees will be set aside in an FCPS reserve account to fund future purchases of band uniforms and/or any other item considered a consumable by FCPS.

Concert Band Uniform Accessories (Amount varies - due by October 2nd): Certain uniform accessory items are required to be purchased separately by the students as needed. While certain concert uniform components are provided (Tux, bow tie and cummerbund, skirts, and pearls), students are responsible for purchasing and maintaining their tuxedo shirt or blouse (including stud buttons) and black dress shoes (Marching shoes for tuxedos). Orders for such items will be placed in the school's uniform closet and paid for through Charms to maintain uniformity.

Trip Activity Fee (Actual cost and due date TBD): This optional activity fee covers the cost of trips taken by the bands and guard. All concert bands generally go on one overnight trip to perform in a competition during the spring. There have also been additional overnight trips in certain years. For example, the Symphonic Band travelled to the Bands of America National Concert Band Festival in Indianapolis, IN and performed at the VMEA Conference in Virginia Beach, VA in past years. While these overnight trips are not a required component of any course, most students generally choose to participate. Trip fees are determined and assessed based on the estimated costs of the trip (transportation, hotel, certain meals, entertainment, etc.).

Musical Instrument Rental Fee (\$60 for percussionists, \$100 for wind players - Due upon receipt of equipment): This required fee is applicable to students who play school-owned instruments and covers maintenance costs of those school-owned instruments. This fee should be paid by check to LBSS and returned with issued FCPS rental contract.
